Memories

Memories are made of things
That happen every day
Moments as we live them
Things we do or say.

Little bits and pieces
Of laughter mixed with tears
Paragraphs and pages
Written through the years.

The carefree days of childhood
The growing pains of youth
A few illusions shattered
In the endless search for truth.

The friendships we remember
Mistakes that we regret
The ending of a love affair
We never could forget.

Yes, memories are happenings
Each one a different kind
Each one a separate chapter
That is printed on the mind.

We can't erase the sadness
Or edit out the tears
We can't undo the wrongs we've done
We can't relive the years.

But since memories keep building
Each day can be the start
Of making new and happy ones
To store within the heart!

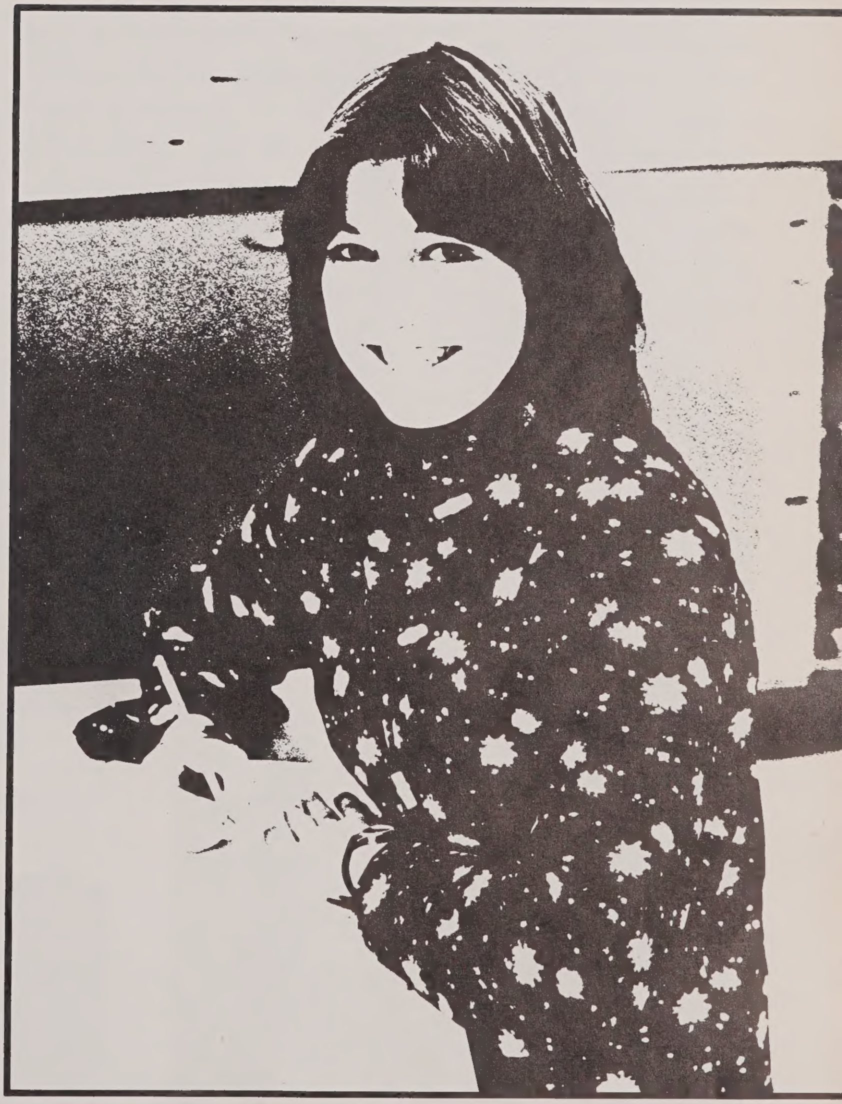
Seniors



If one were to approach Mr. Sawyer with the request, "Can you give me a one word description of the Senior class as a whole?" he might, in a not-so-diplomatic mood, reply, "Insane!" (Don't bother to check it out. He's already been briefed.)

We stand (slouch?) accused. Thoroughly infected by small but lethal doses of Monty Python, cafeteria goodies, and car exhaust fumes, small bands of afflicted seniors may be seen bounding through crowds of underclassmen, "posing" for candids, and screaming across the foyer in falsetto voices with put-on English accents. Others are converging on the library to harass the "babysitters." The rest of them are crouched in classroom corners, awaiting a predetermined signal upon which they'll send a barrage of their dauntless low blows raining down from the superior airs they rode in on. (That signal, of course, is the start of class.)

Senior Supper

About seventy-five members of the senior class and guests descended on the cafeteria the evening of Wednesday, January fourteenth for the first annual Senior Supper. The idea was to give special recognition to those seniors graduating after the first semester and provide an opportunity for a more-or-less formal presentation of senior superlatives, which had been voted on earlier in the week.

Opening remarks by class president, Shirley Rose, completed, everyone lined up for the buffet-style dinner. The food wasn't too bad. (Nobody died. However, some were driven to drink.)

It was the general concensus that not even spiking the punch would've saved it. (A few, more colorful types, recognized the drink's distinctive bouquet and flavor as being something akin to Kaeopectate.)

To the disappointment of many there was no prune whip.

All appetites satisfied (or just killed), Mr. and Mrs. Sawyer bestowed their congratulations and white roses on the early graduates.

Then the Superlatives! There were, as usual, seventeen different categories and some thirty-four embarrassed but happy winners. (You may, if you like, take that last word with a touch of sarcasm.)

The supper closed at about eight o'clock, an apparent success as some students were seen and heard cavorting in the parking lot afterwards. I guess it's safe to say all had a good time.

THEME FROM MAHOGANY

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to?
Do you know?

Do you get what you're hoping for?
When you look behind you there's no open door?
What are you hoping for?
Do you know?

Once we were standing still in time,
chasing the fantasies that filled our minds.
You knew how I loved you but my spirit was free,
laughing at the questions that you once asked of me.

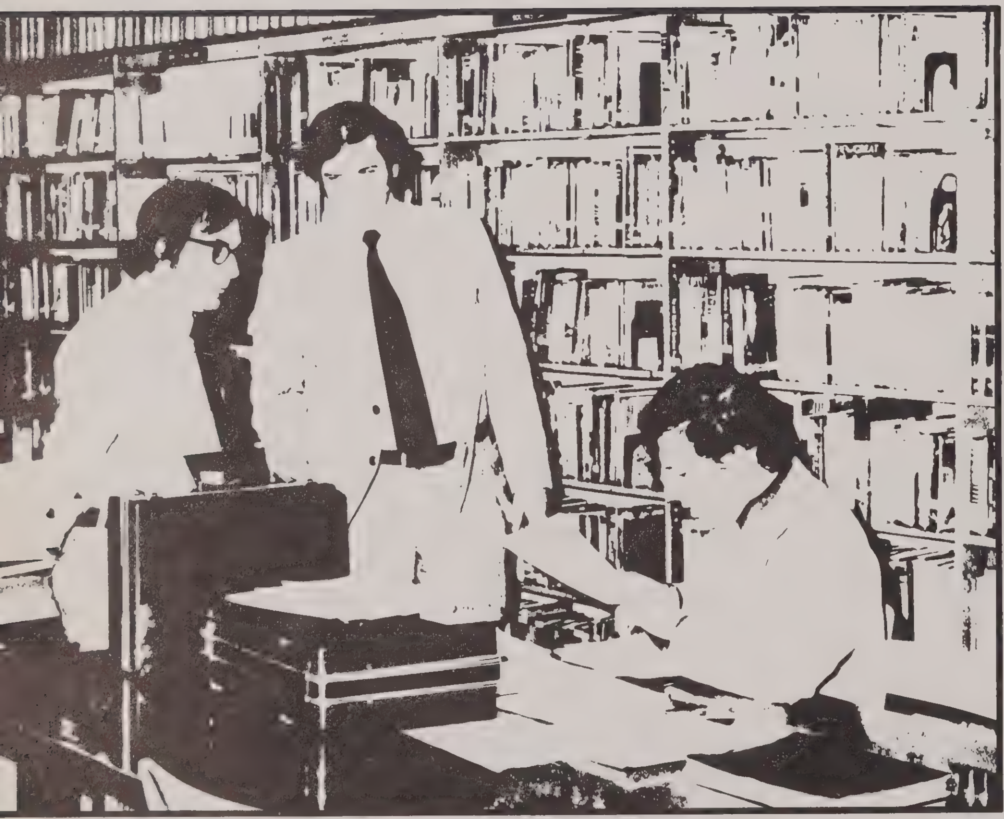
Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to?
Do you know?

Now looking back at all we had,
we let so many dreams just slip through our hands.
Why must we wait so long before we see,
how sad the answers to those questions can be?

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to?
Do you know?

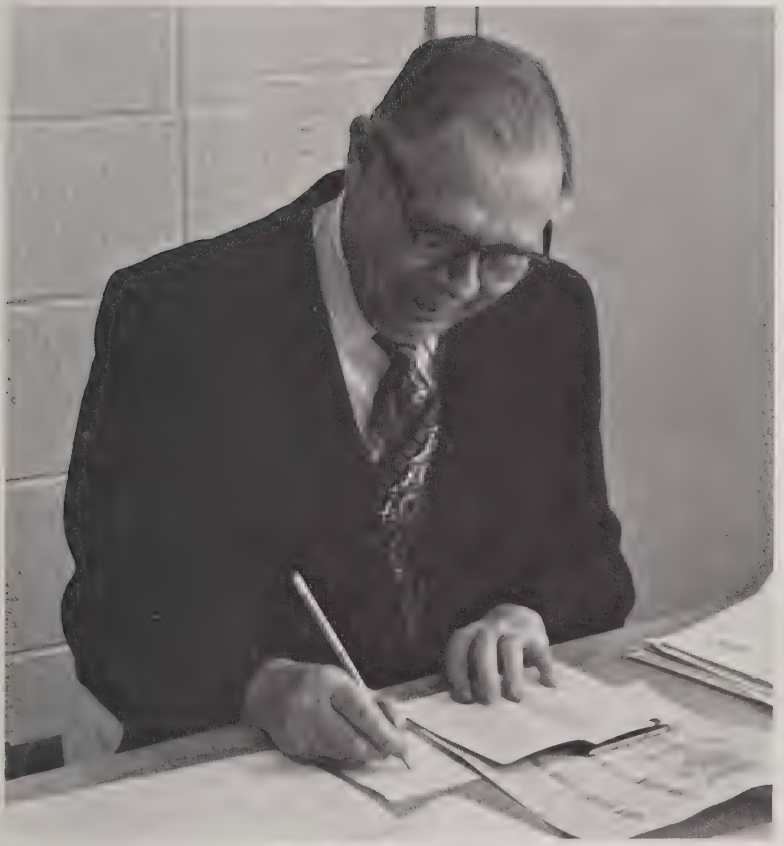
Do you get what you're hoping for?
When you look behind you there's no open doors,
What are you hoping for?
Do you know?

Academics



Superintendent

Mr. Robert T. Roy



To the Class of 1976:

A happy heart is as essential to personal success as is a serious mind. I wish you all happiness and therefore success as you leave Dighton-Rehoboth Regional High School and go forth into the activities that will shape your future life.

Robert T. Roy

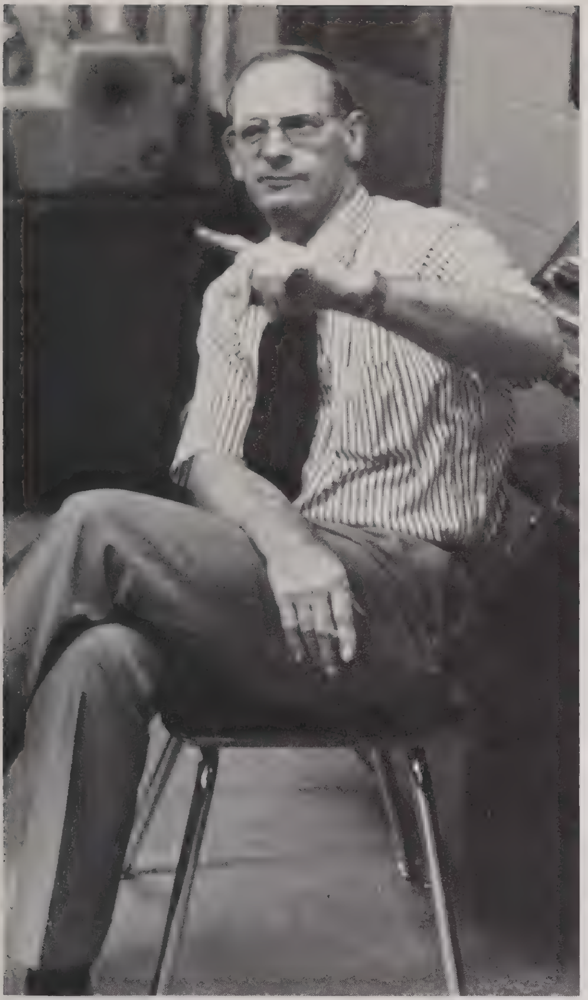
Superintendent of Schools

Administrator of Business

Mr. James Horton

Administrator of Secondary Education

Mr. Joseph Harrington



Principal

Mr. Marshall Sawyer

As graduates, you cannot "pass this way again." Graduation from high school is a once in a lifetime event. The process of drifting apart has already begun for many of you. All of your lives and lifestyles will now change in a way none of us can imagine as we look through this yearbook at this time.

I hope that each of you is well prepared for whatever change that you must face. Moreover, I hope that each graduate can look back with many happy memories on your high school years.

Congratulations on your achievement of graduation. May success be with you always and may you have a lifetime of happiness.

Marshall Sawyer
Principal

Assistant Principal Athletic Director

Mr. George Petrin

Congratulations and best wishes to the class of ''76!'' This class will always be a little special to me because we both entered Dighton-Rehoboth together four years ago. I will be somewhat saddened to see you leave. May nothing but good fortune and happiness be yours.

George H. Petrin

Assistant Principal Director of Occupational Education

Mr. Francis Marcille

To the Class of ''76.'' May you always enjoy the gift of life. Live for the beauty of today and the hope of tomorrow! Congratulations!

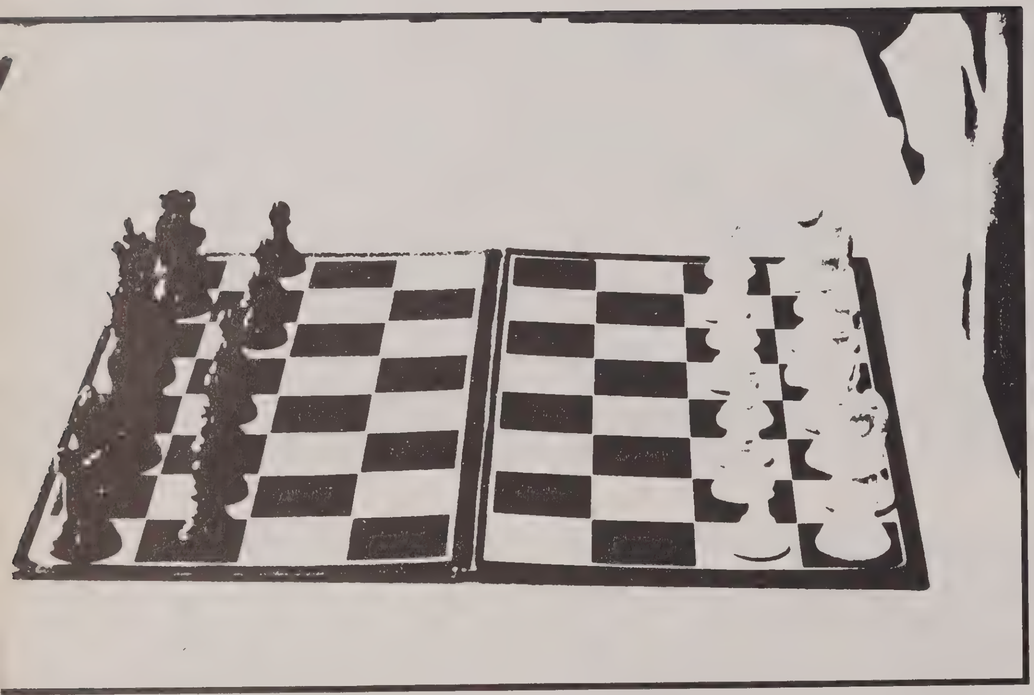
Clubs



Art Club

The Art Club meets every Tuesday and Wednesday from 2:10 to 3:30. Everyone works on what they want to work on, including: throwing pots on the wheel, glazing pottery, drawing, watercolor . . . The Art Class went on a trip to the Boston Museum of Fine Arts.

President: Barbara Vandenberg
Vice President: Becky Swanson
Secretary-Treasurer: Kim McGrath
Advisor: Mr. Floyd Field

Business Club

THE BUSINESS CLUB is a group of students interested in the business world. The club's objective is to gain knowledge of the progression of trends in business. Members operate the Business Club store during study periods, in which various school items can be purchased by the student body. Club meetings are held bi-weekly. A field trip to the Career's Exposition Center in Boston is planned for the year.

The officers are: President: Judy Ferry, Vice-President: Anne Meunier, Co-Secretaries: Keri Jones and Anne Caron, Treasurer: Mark Gousie. Club Advisor is Mrs. Mary A. Carter.

This year the D-R Chess Team is first in its division. Fantastic you say? Not as fantastic as the fact that the team beat Bishop Stang who has dominated the chess crown for the past three years. It was after getting over the initial shock of having so many students try out for the team that Mr. Finley and Mr. White, the advisors, selected the five players on the varsity team. Returning are: Mike Silvia on board one, Gerald Curry on board two, and Ed Goudreau on board three. Newcomers to the varsity this year are Rich Nowell on board four and Ken Boostrom on board five. After losing a poorly played first match to Durfee, the team won its next three matches over Connally, Somerset, and Stang. This team is enthusiastic, cocky and a little bit crazy, and that's all the ingredients needed for a winning team.

Cyclops

Most of D-R only saw the results on the semi-monthly days when the cry was heard, "Wanna buy a Cyclops?" But that one newspaper took weeks of writing, typing, rewriting, mindbusting, cutting and arranging pictures and a lot of nail biting on the part of the editor and staff to produce that single issue. This year's staff was bigger than ever before, which meant bigger and better ten cent issues. A big thanks goes to Mr. Holmes for all his help (and for putting up with a bunch of lunatics).

Cyclops Staff: Karen Trommer, Editor; Carl Schultz, Assistant Editor; D. Andrews, P. Bartoswiscz, J. Bell, C. Chaloux, C. Ennis, D. Ennis, D. Gousie, T. Gouveia, K. Horan, M. Kanabay, M. Silva, J. The Dighton-Rehoboth French Club began the 1975-1976 school year with an organizational meeting electing the following officers: President: Jean Kanarian, Vice-President: Donna Gendreau, Secretary-Treasurer: Kevin Portella. At this writing, French Club activities have been few. Club members and advisor, Mrs. McCrystal, were entertained one afternoon by Mr. and Mrs. Maddern, who brought with them films of Paris as well as souvenirs of time spent in France. During that hectic, last day of school before Thanksgiving vacation, the club held an enormously successful bake sale in the foyer. Other activities planned include another bake sale, a cooking contest, a visit to the Boston Museum of Fine Art to view the French impressionant collection, finishing the year with a club party or dinner to be held at a nearby French restaurant. The objective for the club this year is both to increase the members' cultural knowledge of France and to participate in enjoyable yet lucrative activities.

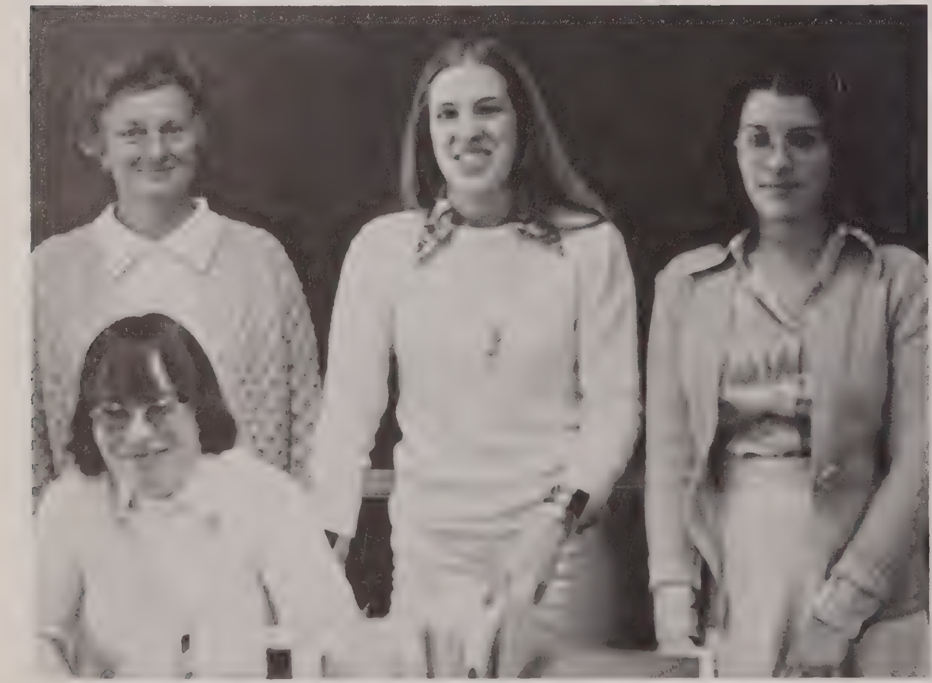
Future Nurses Club

THE FUTURE NURSE'S CLUB is in its third consecutive year at D-R. Donna Lamoureux is president, Gayle Perry is vice-president, Doddie Cummings is treasurer, and Michelle Pelletier is secretary. The club is made up of girls who plan to further their education in the nursing field.

In October, the future nurses sold Fannie Farmer Candy in school and door to door. This earned them a record amount of money. They also had bake sales during the basketball and football games. All of the money the club earned was put toward scholarships for the senior members who have contributed the most to the club and show promise of making ideal nurses.

Along with other activities planned, the Future Nurses Club traveled to various hospitals and nursing schools to see what type of school they would like to attend and what type of course to enroll in.

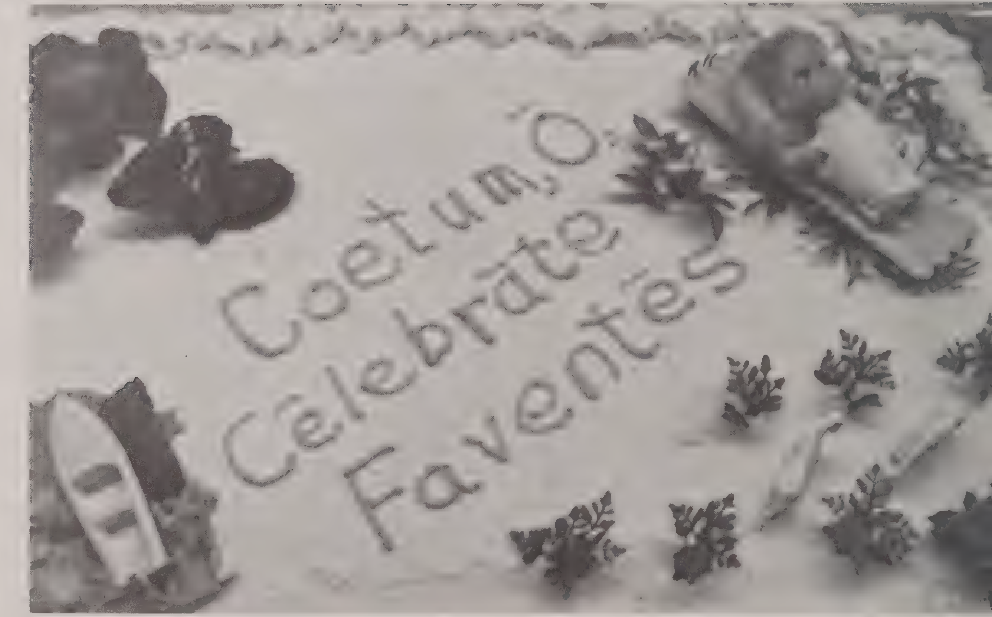


History Club

Having been plagued by bad weather and football games, the History Club did not go on any trips in the fall. In March the members of the History Club traveled to Sturbridge Village. Every one enjoyed themselves as they saw the recreated village depicting the American past. Spring trips will include places such as Newport and Battleship Cove in Fall River. "Today in History" minutes are read at the beginning of each school day by History Club members to commemorate the bicentennial year.

Officers for the 1975-1976 year are: President: Rhonda Silvia, Vice-President: Norma Demattos, Secretary: Kathy Russell. Mr. Grover is the club's advisor.

Latin Club



The advisors of the D-R Latin Club are Miss Nasse and Mr. Frates. Among the activities for the 1975-76 school year are: a trip to Brown University to participate in their Annual Latin Christmas Program and also on March 15, 1976 the club celebrated the Ides of March and Mr. Frate's birthday with a party open to the entire student body and faculty.

Library Club

The Library Club is made up of students who volunteer their time during study periods and before and after school to assist Mrs. Dunn in a variety of ways ranging from taking charge of the desk, checking books in and out, shelving books, and writing out overdue notices. Many students become proficient in the operation of audio-visual material and are invaluable in helping distribute equipment at the right time to the right place. They render a distinct service to the school.

MEMBERS: P. Bartoswicz, D. Gousie, D. Greene, C. McGee, V. Senra, D. Vickery, R. Pereira, N. Lopes, M. Makepeace, K. Trommer, J. Choate, J. Emack, E. Kelly, C. Saart, R. Ortiz, D. Williams, D. Math League

The D-R Math Team competed in both the S.E. Mass. and S.E. Mass Conference Math Leagues during the 75-76 season. The D-R Team posted an outstanding record by finishing the regular season at the top of their respective divisions in each league. D-R also won the overall league championship of the SEMML in a playoff competition with other top schools.

The playoff for the SMCML title is an upcoming event, thus giving the D-R Math Team a chance for its first double championship in school history.

The D-R team, led by the consistently outstanding performances of senior John Minardi and sophomore Gerry Curry, has also qualified to participate in this year's State and New England competitions. MEMBERS: E. Goudreau, J. Minardi, R. Silvia, J. Trufan, C. Souza, B. Ferry, B. Fagundes, N. DeMattos, V. Williams, B. Borden, M. Jackson, C. Ennes, R. Nowell, G. Curry, R. Wallace, L. Goudreau, R. Brown, Coach: Mr. Rabouin.

Portuguese Club

The D-R Portuguese Club was established three years ago as a social club for students interested in the Portuguese culture with Mr. Kenneth Santos serving as advisor. The club organizes various activities. One activity is to prepare Portuguese foods such as malasadas (fried dough) and sweet rice to be sold to faculty members. The profits help defray the cost of other activities. The club also goes on several field trips during the year. In the past, the club has gone to the Whaling Museum in New Bedford, the Fado House, a Portuguese restaurant, in Acushnet, and to the annual Portuguese Spring Festival at Bristol Community College in Fall River. In the future, the club plans to view slides of an authentic Azorian whaling expedition and to visit Dighton Rock. In addition, the club has a bulletin board in the cross corridor of C wing where colorful pictures of Portugal and the islands are posted. Officers for the 1975-76 school year are Co-Presidents: Terrie Gouveia and Debbie Rodrigues; Vice-President: Noberta Barboza; Secretary: Sue Carvalho; and Treasurer: Sue Victurine.

Spanish Club

The Spanish Club was organized early in October and at the first meeting, officers elected were: President: Craig Martin, Co-Vice Presidents: Greg Nader and Vivian Williams, Treasurer: Laurie Victurine. In total, the Spanish Club has fourteen members who are (believe it or not) enthusiastically interested in the foreign language of Spanish.

Current plans are for a trip to a nearby Spanish Restaurant and other ideas are being discussed.

Student Government

The 1975-1976 school year was a momentous one for the Student Government. As in past years, we sold bumper stickers and raised money for the annual Thanksgiving basket drive. Enough money was raised for several needy families in the area to have a happier Thanksgiving.

This year the annual Ham and Bean Supper was held in the cafeteria to raise money for the Citizens' Scholarship Foundation.

As in past years, the Student Government also arranged a student exchange with another school. This year it was Taunton High. The D-R students were lucky enough to get into the brand new high school while the Taunton High students had to patiently tour good old D-R.

The highlight of the year, however, came in November when the school committee decided (unlike previous years) to allow a smoking area without parental permission.

MEMBERS: Mr. Laffoley, advisor, J. Leddy, pres., B. Tobin, V. Pres., C. Amaral, treas., S. Perry, sec., W. Alper, T. Carpenter, L. Decof, S. Evans, J. Kaparian, E. Trucchi, K. Russell, J. Amaral, S. FALL

Football

The 1975 edition of the D-R Falcon Football squad was certainly one to behold as they did what no other team in the school's history had done before; they won a divisional title!! The Falcons were blessed with a talented combination of Seniors and underclassmen who were able to boast of victories over the following Division III teams: Dennis-Yarmouth, Norton, Diman, and New Bedford Vocational (co-champions).

The Falcons successful season was based on a number of things: the willingness of the players to work hard for their goals, combined with an excellent coaching staff, and overall ability to win the big games.

This was a season that the Falcon Football Fans will long remember.

Field Hockey

After thirteen years of intramural Field Hockey, D-R finally established a first year varsity team in 1975. With the rules of the game and basic stick handling under their belts, the hockey pioneers moved into their first season against veteran foes: Attleboro, Seekonk, and Case.

The girls finished their season with a divisional record of one win, five losses and four ties.

The Falcons have the ball. The quarterback calls the numbers and takes the snap. Suddenly, a tremendous roar is heard from the stands, as seventy-five voices yell, ''Eat 'em up!'' That's the Falconeers. Consisting of the marching band, pep squad, and majorettes, the Falconeers cheered our team to its division co-championship. In one of the rainiest seasons ever, they gallantly squished their way across swampy fields, suffering cold and wind to give D-R some of its best half-time shows ever - plus out-do the competition nine times out of ten. Combine this with their support and enthusiasm at pep rallies and you've got a winning group.

Cheerleaders

Soon after school lets out in June a visitor to the school on a warm summer afternoon can often hear the voices of the football cheerleaders reverberating around the building. Once school re-opens you can find the football cheerleaders outside behind the gym nearly every day after school and as early as eight o'clock on a Saturday morning. Sure, it's a lot of hard work, but is it worth it? You bet it is - just ask any cheerleader - past, present, or future!

The 1975 Cross Country team finished with its best record ever. By compiling a 7-5 record, the team established itself as contenders in the Division II run-off, in which they placed third. Two runners distinguished themselves. Greg Vaslet and Rich Moschella were selected for the Division II all-star team. This year's seniors were Co-Captains Greg Vaslet, John Minardi, and Dick Keane. To top off the season soph. Rich Moschella broke the cross country record by nine seconds. All and all, Coach Dave Marsden was very pleased with the team's achievements.

On November 22, twenty-one stage frightened thespians applied makeup, donned costumes, and ran a last minute check on lines. The occasion was the first dramatic production of the school year. TO BURN A WITCH, DEATH OF THE HIRED MAN, and MY HAND'S IS FULL O' GIFTS combined the acting talents of freshmen, sophomores, juniors, and seniors with a production crew of forty-six students. The three plays centered around a theme of "Americana" and were bridged together by six narrators.

Almost Anything Goes

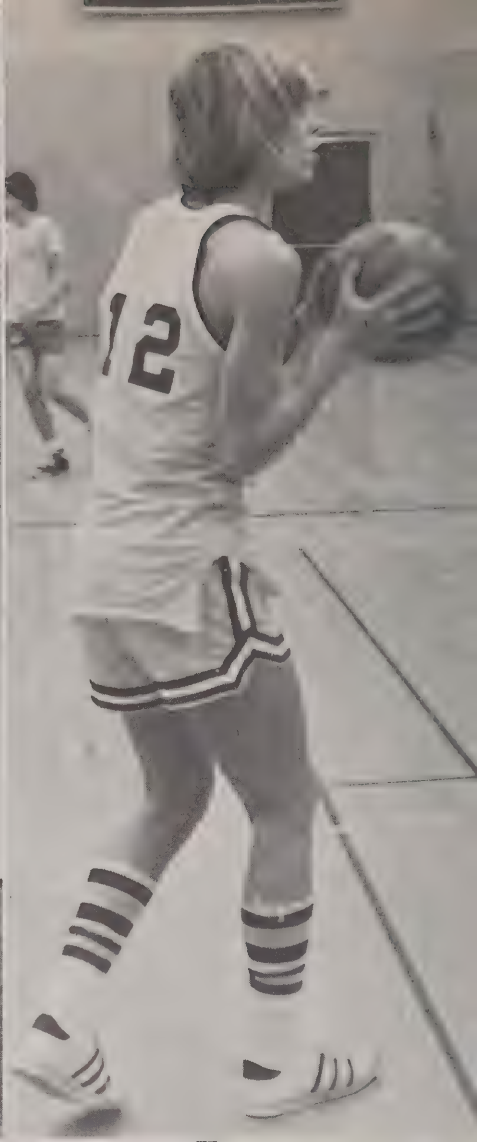
Monday, November 24, 1975, got off to a roaring start with the ten senior homerooms pitting themselves against each other in a wild and wacky competition called Almost Anything Goes. Originally scheduled to take place in the courtyard, a sudden snowstorm caused the event to be changed to the gym.

After surviving a locker that kept falling over heads, water balloons, and an obstacle course that included a three-legged walk across a balance beam suspended over a wading pool, Homeroom A-3 emerged victorious, winning a trophy to sit upon Mr. Gendreau's desk.

The Price Is Right

It was the second day. The student body filed anxiously into the gym. (Anything beats last period class) Today's event was entitled the Price Is Right and the underclassmen were wondering what new insanity the senior class had dreamed up. They didn't have long to wait. Soon Peter Deane's voice was heard over the microphone announcing the start of the day's festivities. The question was "How much are you willing to pay to take revenge on your least favorite senior?" or "How much is it worth to you to be escorted to class by Raggedy Ann & Andy?" There were plenty of pies, the shaving cream was flying and powder hung in the air. Even Mr. Gendreau wound up on the receiving end of a whipped cream pie. But the highlight of the event came when, for the mere price of $35, Gary Ramsden got the satisfaction of hitting Mr. Petrin with a pie. So ended the Price Is Right and two of the craziest days in D-R History.

WINTER



Winter Track

The 1975-76 Winter Track season was not a successful one; winning-wise. But individual performances lit up a dark year as seven of ten possible records were broken or tied. Rich Moschella, Dan McGee, Dave Plante, Steve Burgess, Greg Rodrigues and Mike Silva established the new records and it was around these runners that coaches Santos and Finley had hoped to build a winning team. Yet time after time the team came home on the losing side and it soon became apparent that well, there's always next year. When the divisional race came around, D-R was rated near the bottom and a small, but inspired team gave it one more try. The few athletes left on the team put on a magnificent performance and captured second place. That was a good way to end a season, and well, maybe next year.

Cheerleaders

Round about October and November anyone passing through the foyer after 2:30 is entering at his own risk. Anyone trying to hold a meeting anywhere in the vicinity will find himself interrupted by loud yelling. What is causing all the confusion? The basketball cheerleaders of course! The foyer is their favorite hangout and don't be caught trespassing, it could be painful. More than one flip has turned into a well placed boot in the behind. Practice makes perfect and the basketball cheerleaders have proved it!

This will be a year to remember for the Falcons' Basketball team. A very strong varsity fought its way to a divisional co-championship. The record was 15-6 overall and 11-3 in Division III. Lead by Steve Koneski, the high scoring Falcons topped their successful season with a convincing win over archrival, Seekonk, before entering tournament play where they were finally knocked off by Boston Trade. Definitely a team to be proud of, the Falcons had their best season in more than a decade.

The 1975-1976 D-R Hockey team, with both old and new uniforms, and more ice time, was placed in a tough division and got off to a disappointing start with losses to the big teams of the division. As the season progressed, however, the team picked up momentum with an exciting win over long time rival Seekonk. This seemed to mark the turning point of the season. After the Seekonk victory, the team skated their way to several more wins to finish up the season with a record of four wins, eleven losses and three ties.

Girls' Basketball

The girls' season began on a high note with a convincing win over Westport, but Division opponents Feehan, Attleboro and Seekonk quickly edged D-R three games in succession. The Falcons established themselves as the comeback team of the year by fighting their way up from the bottom of the Division to a second-place finish. After winning six out of seven final games, D-R closed the season with a 7-4 mark. The Junior Varsity team went 10-1 for the second year in a row and captured their second straight JV championship.

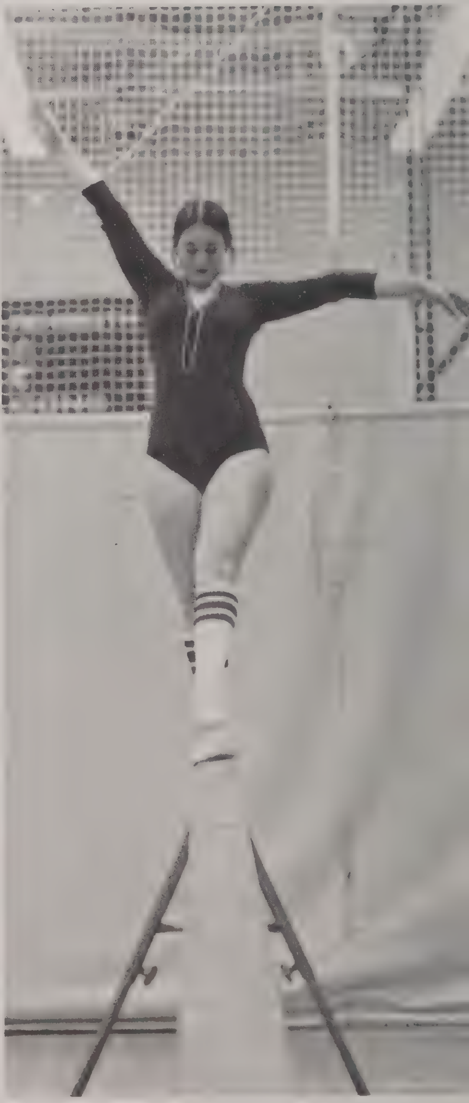
Gymnastics

The Gymnastics Club team extended last season's undefeated string to eleven dual meet victories before being tripped up by powerful rival Somerset. The '76 season ended with a record of 7 wins and 1 loss. Co-captains Helen Cordell and Lisa Vincent finished 1-2 in team scoring, with promising sophomores Kathleen Rose and Judy Soares third and fourth. Helen, Lisa and Kathleen also qualified for the State Individual Championships, where the top 70 gymnasts from Massachusetts' 94 high school teams meet for a day of intense competition.

With the loss of the two top all-around gymnasts, plus balance beam specialist Nancy Moak, the team faces a re-building in 76-77.



Winter Concert

To a certain group of students at D-R, music is more than just something to listen to on the radio. At Christmas time, they emerged from the deep, darkness of Schubert Alley to present their annual winter concert, "Celebration." The evening, featuring the Concert Band, Chorus, and Madrigal Singers, was a mixture of classical ("Alleluia"), contemporary ("Piano Man"), and Christmas music ("Sleigh Ride"). After four months of long, hard practice under the direction of Mr. Otto and Mr. Wilkinson, it was gratifying to perform for an audience and still better to relax at Friendly's when it was over.

Fifties' Dance

It was Saturday night, January 10. Everybody was rocking n' reeling to Elvis, Dion and The Platters. The girls donned bobby socks, saddle shoes, pony tails and cardigan sweaters. The guys greased their hair and put on their best tee shirts. Sound like the Fifties? Not a bad guess - it was the Fifties sock hop sponsored by the senior class. Though not one of the best attended dances in D-R history, everyone there had a great time, from the bunny hop to the hully gully.

Harvey

"Was Harvey a real rabbit?" This was the question many were asking after watching a performance of this year's senior class play HARVEY.

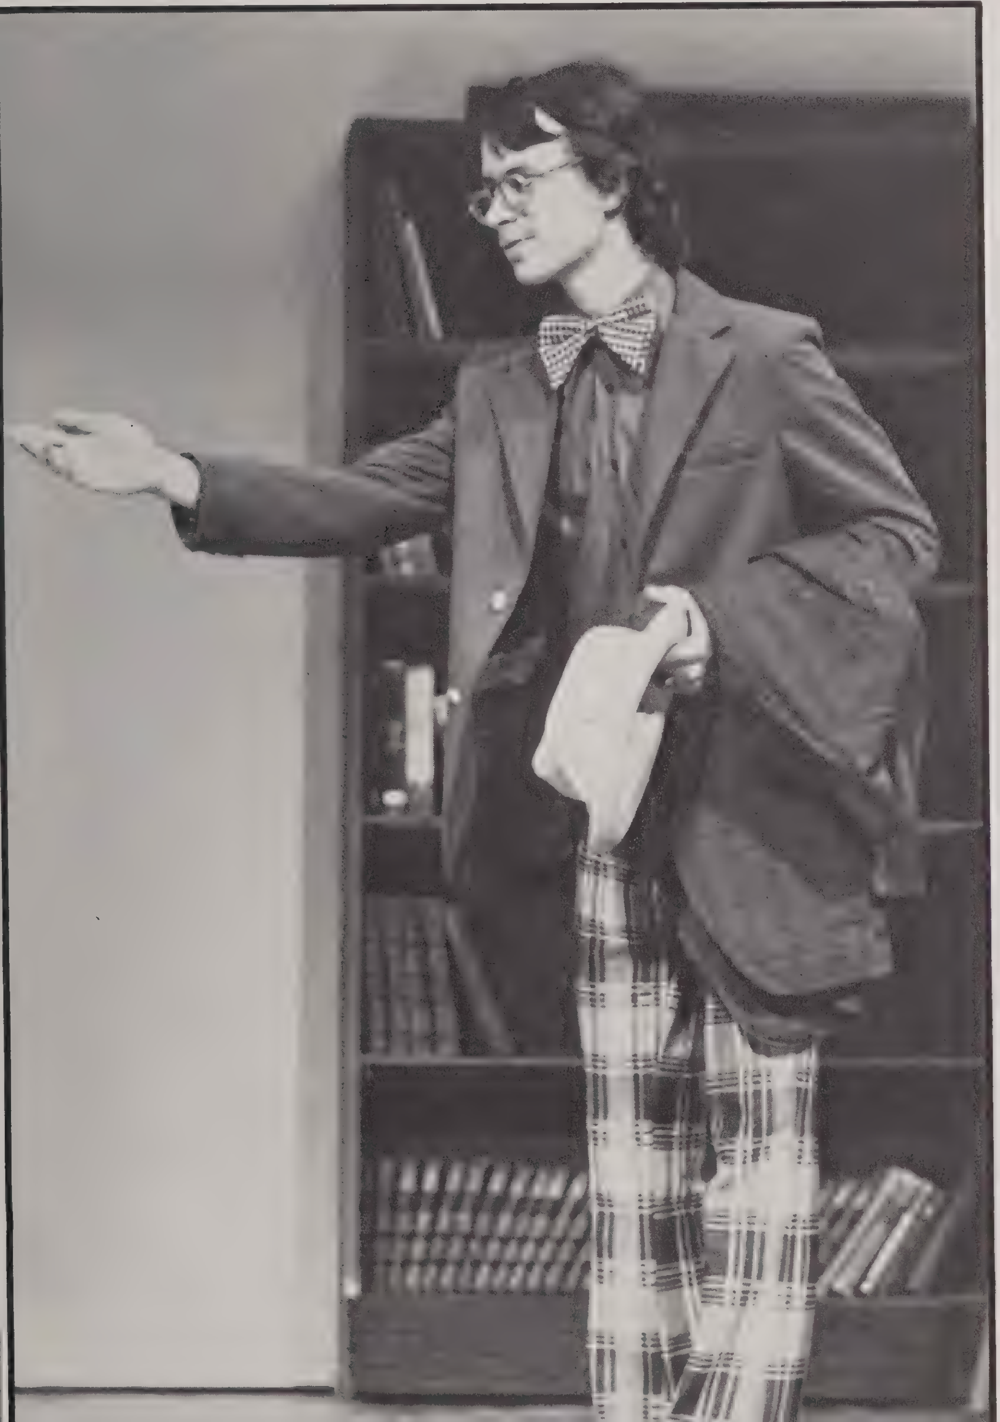
Seven seniors made their theatrical debut in HARVEY. George Perrin was memorable and charming as the genteel Elwood P. Dowd. Lori Smiley amused the audience with her stylish snobbery as Mrs. Ethel Chauvenet. The impulsive, impatient role of Wilson was played with style by Chris Kovatsi. Also taking bows for the first time on the D-R stage were Bill Welch as Dr. Sanderson; Rebecca Smith as Mrs. Chumley; Craig Martin as Dr. Chumley; and Terry Toner as Miss Johnson.

Ending a busy high school theatrical career were veteran D-R actors Jean Kanarian, Lynn Paulsen, Sue Evans, Jeff Cole and Peter Deane. Their performances were polished and professional and they will long be remembered by the audiences.

On the other side of the footlights many seniors were actively involved in making the characters look good. The backstage activities were under the capable direction of stage manager Greg Nader.

The two sets were constructed under the direction of Wayne Horton and Paul Bartoswicz. Donna Lamoureaux and her property committee decorated the sets.

Assisting Mr. Martin and Mr. Ohrenberger with the direction was Doddie Cummings. She was often seen carrying the master script or breaking Coke bottles. Doddie even appeared on stage at curtain call wearing a stylish white suit with large pointed ears.



SPRING

Softball

Seniors were well-represented on the softball team. Among them, the seniors excelled at every phase of the game: Joann the slugger, Lisa the base-thief, Julie the flawless infielder, and Joan the record-breaking pitcher. The team achieved a 10-2 conference record, and a third consecutive invitation to the State Tournament.

Spring Track

For track, 1976 was the year of the upset. It was the year the Jimmy Weeden legend faced out and Steve Burgess took his place. It was also the year D-R repeated as Division II champs.

Somerset was beaten for the first time in seven years, and Dave Plante soared over six feet.

Pushed by pride, devotion, and the desire to win, D-R compiled a record of 9-2 against fine competition and made themselves a name known throughout the state.

I suppose no one on the team will ever forget the win over Feehan as the relay team pulled away to seal the victory, or that one loss, . . . Or Greg Vaslet's missing the State finals by one second as he missed the school record by four, and Steve Burgess's placing second in the State Class C Finals and then coming back and anchoring the mile relay team with a 51.1 second quarter, the first ever in D-R history.

The seniors this year, Warren Alper, Steve Burgess, Hank Conaty, Greg Rodriques, Gary Thiboutot, and Greg Vaslet, were highly instrumental in the team's success, and they were being missed even as the season ended.

Can their's and other's records ever be broken? Steve has a 2:01.5 in the half mile and Hank threw 48-8½ in the shotput. Junior Dave Plante high jumped 6′1″, while sophomore Rich Moschella ran a 4:34.5 in the mile. It seemed impossible, but it seemed impossible, but it seemed impossible at the end of '75 that D-R would repeat as champions until our tri-captains, Steve, Augie, and Hank led us to a fantastic year.

Lastly our two fine coaches, Mr. Marsden, and Mr. Santos, suffered with the team in defeat and exhalted with them in victory. Throughout the season's peaks and valleys, they stayed with us, and finally we were together on the top.

The Girl's Track Team has just completed its most successful season to date as it literally ran away with the division II championship. The team, with a division record of eight wins and no losses NOT only proved itself strong within its division but also upset Division I Wareham. On April 24, the girls entered the state relays. In almost every event entered D-R finished in the top ten out of 52 schools. The discus team consisting of Patti Pearson, Karen McDonald, and Lianne Edmonds finished fourth overall, while the shotput team of Allison Dwyer, Patti Pearson and Nancy Holbrook placed sixth. Sophomore Ann Brum placed first with a javelin throw of 118 feet.

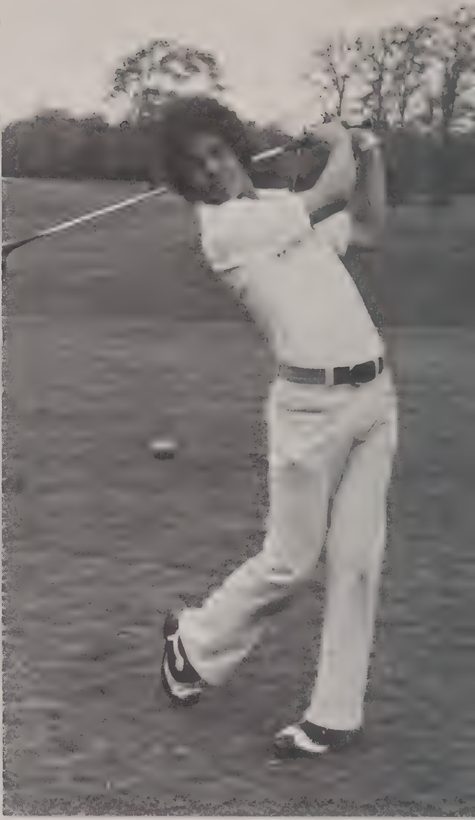
Golf



The 1976 Golf team won its first championship, despite early predictions that it would finish behind former champions Attleboro and Somerset. However, the Falcons defeated both its leading rivals twice in posting a 9-1 division record. Hard work, determination and consistent play in all types of weather conditions were the major factors contributing to the team's march to the championship.

Spring Concert

This year's Spring concert was labeled by many as "the best ever given at D-R." Presented on May 21, "Notes on Americana" was an extravaganza of Bicentennial sights and sounds. From the town crier and colonial-costumed usherettes to the combined chorus and band finale and slide show, it was the music department at its best. Of course, to the conductors and performers, the audience's ovation was the sweetest music of the night.

Art Show

The week of May 17, the tired, gray walls of D-R gradually bloomed with posters, paintings and portraits, and other assorted paraphernalia until they burst into full bloom on the official day of the Art Show, May 21. Not only were the walls hidden by art, but the foyer was crowded with crafts, the gym was buried with carpentry and the bleachers were swathed with clothing.

The afternoon of the Art Show the corridors were teeming with life as faculty members did their best to choose the outstanding works from such a fine collection ranging from mechanical drawings to pottery.

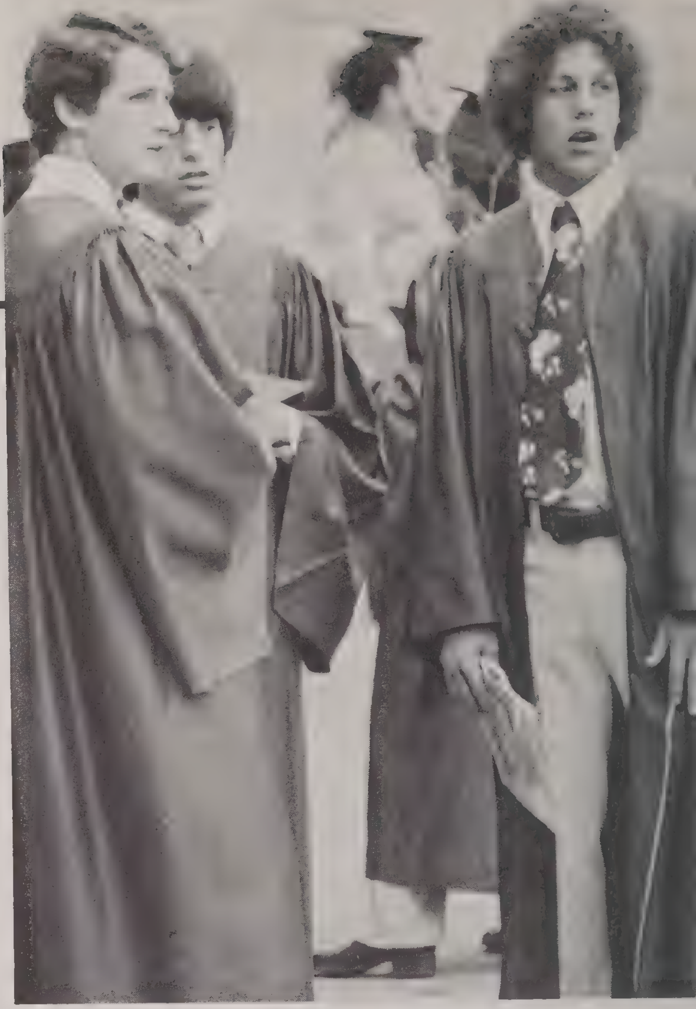
Senior Prom

After four years of anticipation the senior prom had finally arrived. It had been the main subject of conversation since Christmas. Who would ask whom? What color tux should he wear? What kind of flowers did she want? Where would we go after? Who would you double with? What time would I have to be home? All that was behind us now.

Couples began arriving about seven to have their pictures taken (though it probably wasn't the first time that night.) At eight we went into our room and after a wait of about twenty minutes the buffet started and soon everyone was enjoying their roast beef and fried chicken. By nine we were ready to get up and boogie, but the band wasn't, and it was nine-thirty before they played their first song, "Precious and Few," which was the theme for the prom. Before we knew it, it was time to go. But the evening was far from over for many of us who chose to begin our post-prom partying in the parking lot before taking off to various parties or heading for the beach.

June 7, 8, 9



June 7, 8 and 9, were the seniors' last three days of school. Looking back I don't think three days ever went by as fast.

Monday morning we arrived at eight o'clock and finding seats in the auditorium, Mr. Sawyer explained what would be happening in the course of the next three days. Then he took attendance while Terrie and Shirley ran around handing out graduation tickets. With this finally completed, the seniors began solving their hardest problem in four years - lining up according to height, and before we knew it we were seated on the stage. It seemed hard to believe that it was our turn.

Not long after, Mr. Wilkinson came in and somehow found the patience to teach the senior class how to sing a fairly decent version of the two songs we had chosen to sing for graduation, "Imagine" and "The Long and Winding Road."

At eleven we broke for lunch, and for those of us who remembered to bring their five dollars, there were caps and gowns to pick up.

The annual Senior Awards Day Assembly got under way at one and for the first time we had a chance to feel some of the heat we would have to endure Wednesday night. This year John Minardi stole the show as the winner of the Bausch and Lomb award, the Eleanor Smith medal, the outstanding French student award, the Balfour Key and a well-deserved standing ovation from the student body.

Tuesday, we practiced the art of standing and sitting together and marching down the aisle. This was in preparation for the Class Day assembly at the end of the day.

Wednesday morning there was a dry run of graduation with report cards standing in for diplomas. Much to everyone's delight, Mr. Sawyer let us go at ten-thirty and nearly all of us headed for the beach.

It still seemed hard to believe that we were the ones graduating, but when the organ began to play we were the ones coming down the aisle. Despite weather in the nineties, we all managed to sit still for the hour and a half, and before we realized it, we were walking out of the auditorium, saying good-bye to good times and good friends.
